**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Tega Cay Water Services

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

- NO increase should be awarded TCWS. Two years ago, they were given an 18% increase for water service and are now seeking an additional increase. If the proposed amounts are allowed, Tega Cay residents would be paying 51% more for water and 67% more for sewer service in 24 months which would make economic situations even harder than they already are.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

Not at this time.
